---

It has come to the attention of the Pastoral Planning (PP) Office that a Mr. Robert Kelly of So. Lee has been mailing out – to various persons throughout the diocese- a brochure critiquing the Mullin Report.

Unfortunately this brochure, though perhaps well intentioned, contains factual inaccuracies and may be misleading.

In fact, it has already been the source of confusion to some who have received it, thinking it to be an official diocesan document.

This brochure by Mr. Kelly has not been issued through or with any input from the PP Office or committee.

Currently plans are underway to conduct listening sessions which will help guide the PP process in the coming months and years.

In addition there is an on-line forum for persons to express opinions and ask questions.

If you or any parishioner have a question please call the PP Office through the main diocesan phone numbers.
